

City of Marina wants to hear from you!

Help shape the future of Marina by participating in two upcoming community workshops on **Saturday, March 29.**

For Marina, By Marina - Coastal Access & Amenities Plan Community Workshop

Saturday, March 29
10 a.m. - Noon

Marina City Council Chambers
(211 Hillcrest Ave)

The City is leading an independent effort to hear from YOU on how to allocate \$3 million in potential payments to the City for recreational and public improvements in our coastal zone. These funds would be payable to the City if and when the Cal-Am desalination project is ever built. Your input will be captured and shared in a report that the Marina City Council will submit to the California Coastal Commission in April.

Can't make the workshop?

Share your input online via our community feedback form!

Budget Priority Community Meeting

Saturday, March 29, 2 - 4 p.m.

Marina City Council Chambers (211 Hillcrest Ave)

All community members are invited to a Budget Community Meeting to share your priorities and provide feedback for preparation of the City's next two year budget. Learn about the City's budget, funding priorities and financial situation. Your feedback is important to ensure that residents needs and priorities are included in our budget planning.
